Avancier

### Establish capability (in AM)

- 1. Establish authority for architecture
  - Agree EA funding model or ROI metrics
  - Assess EA maturity
- 2. Define the architecting organisation
  - <u>Architect roles</u>
  - Solution architects
  - RACI matrices
- 3. Define the architecture processes
- 4. Define the architecture resources

### Also

- Make people aware of your architecting organisation
- Train people in your architecting processes
- Make people aware of your architecture resources
- No use having all this stuff if nobody knows about it
